RECYCLE YOUR USED PENS!
Drop your used pens, mechanical pencils, markers, highlighters and caps here for recycling.

Every year, 11 billion ballpoint pens are sold worldwide. Don’t let them all end up in the landfill.

$0.02 will be donated to Earth Day Canada for every Sharpie®, Paper Mate®, Expo® and uni-ball® product received.

The bin’s full! Now what?
Once your bin is full, box or bag the pens and send through campus mail to Supply Management Services (20 lbs maximum). Please label the package: TerraCycle Pens.

Any questions? Please contact sustainability@ualberta.ca or call 780-492-9289.
